This page lets you know of important updates or corrections to academic information in the MIT Bulletin that have occurred since its release in August.

September 1, 2021
The MBA description has been updated as follows: Practical exposure to management takes place in the MIT Sloan School through a variety of activities. Students in the MBA program have the opportunity to spend the summer between their first and second years working in an internship that contributes to their understanding of and effectiveness in dealing with management problems, by registering in an optional elective internship course under faculty guidance.

August 17, 2021
Urban Science and Planning with Computer Science (Course 11-6) Degree Chart (http://catalog.mit.edu/degree-charts/urban-science-planning-computer-science-11-6): Corrected units beyond the GIRs (reverted to 180-195 from 216-231, which was increased in error).
