This page lets you know of important updates or corrections to academic information in the MIT Bulletin that have occurred since its release in August.

**October 25, 2018**

Chemical Engineering (Course 10) Degree Chart ([http://catalog.mit.edu/degree-charts/chemical-engineering-course-10](http://catalog.mit.edu/degree-charts/chemical-engineering-course-10)):
Corrected subject 10.26 to reflect its CI-M designation.

Undergraduate Grading Options ([http://catalog.mit.edu/mit/undergraduate-education/academic-research-options/grading](http://catalog.mit.edu/mit/undergraduate-education/academic-research-options/grading)):
Added section for new experimental grading policy to increase flexibility for major exploration in the first year (fall 2018 entrants only).

**October 18, 2018**

Corrected the number of HASS GIR subjects that can be satisfied by subjects in the Departmental Program from three to two.
New statement: “Humanities, Arts, and Social Sciences (HASS) Requirement [two subjects can be satisfied by 9.00 and one other HASS subject in the Departmental Program]; at least two of these subjects must be designated as communication-intensive (CI-H) to fulfill the Communication Requirement.”

**October 15, 2018**

Undergraduate Admissions ([http://catalog.mit.edu/mit/undergraduate-education/admissions](http://catalog.mit.edu/mit/undergraduate-education/admissions)):
The information regarding Applicant Interviews was updated.

**October 10, 2018**

Accreditation ([http://catalog.mit.edu/mit/overview/academic-program/#accreditationtext](http://catalog.mit.edu/mit/overview/academic-program/#accreditationtext)):
This statement was updated to reflect the new name of the New England Commission of Higher Education.
