**Restricted Electives**
Select seven additional subjects to form a coherent program | 78-84 |

**Units in Major** | 114-120 |
**Unrestricted Electives** | 96-102 |
**Units in Major That Also Satisfy the GIRs** | (36-72) |

**Total Units Beyond the GIRs Required for SB Degree** | 180 |

The units for any subject that counts as one of the 17 GIR subjects cannot also be counted as units required beyond the GIRs.

1 Four of the 10 subjects from the required subjects and restricted electives must be chosen, in consultation with a faculty advisor, either from four of five historical periods (ancient and medieval; Renaissance and Restoration; 18th century and Enlightenment; 19th century and Romanticism; 20th century and contemporary culture) or from four of five thematic complexes (historical period; genre or mode; author study; film, media, and popular culture; gender and ethnic studies).

2 A maximum of three subjects may be selected from among introductory subjects, as described on the Literature website.

3 This chart has been calculated based on an overlap of 36 units (three subjects) between the HASS General Institute Requirement and the departmental requirements. Students who develop a program of study with more overlap will be able to select more unrestricted electives to meet the number of total units beyond the GIRs required for an SB degree.
