Department of Mechanical Engineering (<http://catalog.mit.edu/schools/engineering/mechanical-engineering/#undergraduatetext>)

Bachelor of Science in Mechanical Engineering

General Institute Requirements (GIRs)

The General Institute Requirements include a Communication Requirement that is integrated into both the HASS Requirement and the requirements of each major; see details below.

Summary of Subject Requirements	Subjects
Science Requirement	6
Humanities, Arts, and Social Sciences (HASS) Requirement; at least two of these subjects must be designated as communication-intensive (CI-H) to fulfill the Communication Requirement.	8

Units in Major	177
Unrestricted Electives ⁴	48
Units in Major That Also Satisfy the GIRs	(36)
Total Units Beyond the GIRs Required for SB Degree	189

The units for any subject that counts as one of the 17 GIR subjects cannot also be counted as units required beyond the GIRs.

¹ Students may fulfill this requirement by completing an alternative Course 2 CI-M subject (e.g., 2.013, 2.750[], or 2.760). No substitutions are allowed for 2.671.

² Consult the MechE Undergraduate Office, Room 1-110, regarding substitutions.

³ To encourage more substantial research, design, or independent study, the department permits up to 15 units of 2.THU credit, subject to approval of the student's thesis advisor.

⁴ The department suggests that students select a basic electronics subject (e.g., 2.678, 6.002, or 22.071) as early as possible in their program.
