Total Units Beyond the GIRs Required for SB Degree  180

The units for any subject that counts as one of the 17 GIR subjects cannot also be counted as units required beyond the GIRs.

2  This chart has been calculated based on an overlap of 36 units (three subjects) between the HASS General Institute Requirement and the departmental requirements. Students who develop a program of study with more overlap will be able to select more unrestricted electives to meet the number of total units beyond the GIRs required for an SB degree.

2  Pursuit of the thesis is by application only. By the beginning of the second semester of the junior year, all interested students will write a thesis proposal in consultation with the Major Advisor. This proposal will be submitted to the Theater Arts Curriculum Committee, which will communicate its decision to the student in April.
