Units in Major That Also Satisfy the GIRs (36-72)

**Total Units Beyond the GIRs Required for SB Degree** 180

The units for any subject that counts as one of the 17 GIR subjects cannot also be counted as units required beyond the GIRs.

---

1 This chart has been calculated based on an overlap of 36 units (three subjects) between the HASS General Institute Requirement and the departmental requirements. Students who develop a program of study with more overlap will be able to select more unrestricted electives to meet the number of total units beyond the GIRs required for an SB degree.

2 Pursuit of the thesis is by application only. By the beginning of the second semester of the junior year, all interested students will write a thesis proposal in consultation with the Major Advisor. This proposal will be submitted to the Theater Arts Curriculum Committee, which will communicate its decision to the student in April.
