

HUMANITIES

Women's and Gender Studies

The Women's and Gender Studies program (<http://catalog.mit.edu/degree-charts/humanities-course-21>) offers students an academic framework for the study of women, gender, and sexuality using the analytical tools and methodologies of a variety of disciplines in the humanities, arts, and social sciences. It includes a minimum of seven subjects (84 units) beyond WGS.101 (<http://catalog.mit.edu/search/?P=WGS.101>) Introduction to Women's and Gender Studies, WGS.301[] (<http://catalog.mit.edu/search/?P=WGS.301>) Feminist Thought, the pre-thesis tutorial (21.THT (<http://catalog.mit.edu/search/?P=21.THT>)), and thesis (21.THT (<http://catalog.mit.edu/search/?P=21.THT>)). However, students may request a two-class substitution for the pre-thesis/thesis requirement for a total of 11 courses in that case.

Up to six subjects (72 units) may be used for both the major and the GIRs, but the units from those subjects may not count toward the 180 units required beyond the GIRs. No more than one subject that counts toward the distribution component of the HASS Requirement may also be counted toward the requirements of the Women's and Gender Studies program. In addition, at least eight of the subjects required for the program cannot count toward any other major or minor.

The list of restricted electives below is not exhaustive. Students interested in this interdisciplinary program should consult with the Women's and Gender Studies program manager, Stacey Lantz (slantz@mit.edu), Room 14N-213, 617-253-8844, and then arrange a meeting with the current director, Professor Lerna Ekmekcioglu (lerna@mit.edu).

Restricted Electives

Tier I

WGS.101	Introduction to Women's and Gender Studies (Required)
---------	---

Tier II

Select seven subjects, including at least one from each category below:¹
