Urban Studies and Planning (Course 11)

SB  Planning
MCP  City Planning
SM  Urban Studies and Planning
PhD  Advanced Urbanism
PhD  Urban and Regional Planning
PhD  Urban and Regional Studies

Dual Degrees

Urban Science and Planning with Computer Science (Course 11-6)

SB  Urban Science and Planning with Computer Science

Center for Real Estate

MS  Real Estate Development

Notes

Many departments make it possible for a graduate student to pursue a simultaneous master’s degree.

Several departments also offer undesignated degrees, which lead to the Bachelor of Science without departmental designation. The curricula for these programs offer students opportunities to pursue broader programs of study than can be accommodated within a four-year departmental program.
