

MASTER OF SCIENCE IN MATHEMATICS OF DATA

Department of Mathematics (<https://catalog.mit.edu/schools/science/mathematics>)

Program Requirements

Coursework

<i>Select six subjects from the following list:</i>		72
---	--	----

18.226	Probabilistic Methods in Combinatorics	
--------	--	--

18.338	Eigenvalues of Random Matrices	
--------	--------------------------------	--

18.408	Topics in Theoretical Computer Science	
--------	--	--

18.655	Mathematical Statistics	
--------	-------------------------	--

18.656[J]	Mathematical Statistics: a Non-Asymptotic Approach	
-----------	--	--

18.657	Topics in Statistics	
--------	----------------------	--

18.675	Theory of Probability	
--------	-----------------------	--

Thesis

18.THG	Graduate Thesis	24
--------	-----------------	----

Total Units		96
--------------------	--	-----------
