

ANTHROPOLOGY

Graduate Study

HASTS Graduate Program

The Anthropology Program, the History faculty, and the Program in Science, Technology, and Society collaborate in the graduate program History, Anthropology, and Science, Technology, and Society (HASTS) leading to a PhD. See the HASTS Graduate Program description (<http://catalog.mit.edu/schools/humanities-arts-social-sciences/science-technology-society/#graduatetext>) under the Program in Science, Technology, and Society.

Inquiries

Further information on subjects and programs may be obtained from the Anthropology Office, Room E53-335, 617-452-2837.
