In summer, many departments offer opportunities for current MIT students to register for arranged-unit subjects such as UROP, Special Studies, Research, Internship, Co-op, Independent Study, Pre-Thesis, Thesis, and Graduate Thesis, by prior arrangement with a faculty member. The following departments are also offering some regular academic classes in the Summer Session:

- Economics (Course 14) ([link](http://catalog.mit.edu/summer/subjects/14))
- Health Sciences and Technology (HST) ([link](http://catalog.mit.edu/summer/subjects/hst))
- Materials Science and Engineering (Course 3) ([link](http://catalog.mit.edu/summer/subjects/3))
- Mathematics (Course 18) ([link](http://catalog.mit.edu/summer/subjects/18))
- Mechanical Engineering (Course 2) ([link](http://catalog.mit.edu/summer/subjects/2))

These descriptions are current but are subject to change.

- Aeronautics and Astronautics (Course 16) ([link](http://catalog.mit.edu/summer/subjects/16))
